At or about 3:56pm, 7/13/2009, Lafayette Police Officers were dispatched to an armed robbery at Smith Office Equipment, 50 Creasy Court. The initial investigation revealed that two black males, in their early 20's, wearing white tank tops and jeans entered the store and demanded money from an employee.

The suspects fled the store on foot in an unknown direction after taking cash.

Lafayette Police Officers maintained a perimeter of the area and initiated a K-9 track of possible suspects. The investigation continues and anyone with information should contact the Lafayette Police Department or WETIP...
